JESSE COLE

To the Best Digital Marketing Team,

Hi! My name is Haley, or .....  
on TikTok. I had made a comment on  
the video of Noan Bridges doing the  
Ceilings trend from March 7<sup>th</sup> saying  
if only he was in a long, flowy,  
yellow dress\* and somehow you  
guys saw it. A few days later, you  
made that wish come true. I cannot  
begin to tell you how thankful I am  
to you guys. It might not seem like a  
big deal to you, but it meant so  
much to me. I've been struggling  
with my depression more than normal,  
especially when it came to feeling  
like I mattered or that people even  
noticed me. So for you to make that  
video in response to my comment, it  
felt like I was being seen for the  
first time in a long time. It truly  
made my year. I hope you guys know  
the joy you bring to others, even if  
you are just doing your jobs. It

gives us joy in some pretty dark  
times. With all the literal and  
figurative running you guys do, I  
thought you could use a pick me  
up. I figured if America runs on  
Dunkin', the runners of the  
Savannah Bananas might too. I  
hope to get tickets in the lottery  
to see you guys in Akron so I  
can thank you in person. If I do,  
I'll be the girl in the long, flowy  
yellow dress. Thank you again.

Best Wishes,

Haley .....

THANK YOU

2016-PRESENT
